

MY IDENTITY

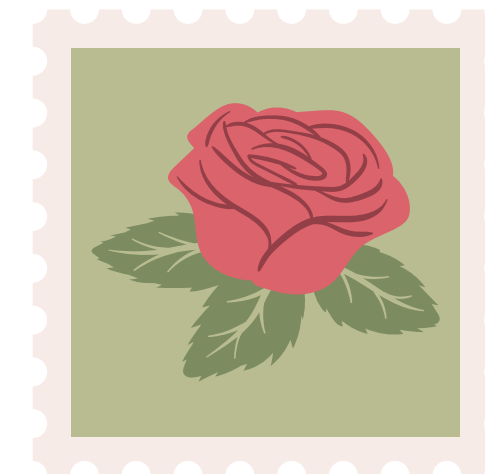

By Yuliana 

In this photo it was my first day of kindergarten, I don't remember anything but my mom says that I was very happy that day and that I didn't want to leave, the only thing I remember is that I had a lot of friends... I wish I had the same number of friends today 😊💧

Here, I'm trying to take the measurements of a canvas correctly. I am quite concentrated since I have tried it 5 times already... I have wanted to learn to paint in oil for a long time and I can't give up yet!

In this photo my mom trying to hit me with a mortero dron a petate, we were walking trough "El Fuerte" and we visited the museum and it is very nice and interesting.

Here, i'm with the love of my entire life, the owner of my week and my heart in the "las glorias" spending the afternoon with my family, she spends all her time swimming
